	<p>I would like to have the team contact email address for offering placements in children's homes or otherwise known as 'looked after children' placement team. I am looking for the generic team email box they use to find placements for children requiring OFSTED regulated homes, this team is often known as the placement team for children or commissioning team for children within your children's social care department.</p> <p>I would additionally request the name and email address of the manager of this team.*</p> <p>If you are covered by a different local authority or county council that carries out social care on your behalf please give the relevant information for them.</p>	<p>placementsearches@wigan.gov.uk</p> <p>The Council will not provide contact details of staff members below third tier.</p> <p>The person with overall responsibility for this area is Ann Clarkson – Director of Prevention, Early Help and Sufficiency.</p>
