

Request

Can you please provide me with a breakdown of s106 agreements signed between the periods 2000-2010, and if possible 2016-2019 (if it does not exceed the time limit) with the following information

- 1 Balance of Contributions
- 2 Monies Spent
- 3 Monies Allocated (with proof of allocation)
- 4 Monies that remain unspent and unallocated (with expenditure deadline)

Response

We have audited the major applications received in the year 2000 (79 no.) and can confirm that we no longer hold data on the value of contributions received, spent or allocated dating back to the year 2000. The records were pre-digitisation. Therefore, the Council does not hold information in relation questions 1, 2 and 3.

In response to question 4 we can confirm that all contributions received prior to 2015 (when a change in national regulations regarding the handling of Section 106 contributions occurred) have been spent.
