	<p>I am writing to you under the Freedom of Information Act 2000 to request the following information from Wigan Metropolitan Borough authority</p> <ol style="list-style-type: none"><li>1. A list of instances, in the past 15 years, when Wigan Metropolitan Borough has found structural issues with hollow block and beam/beam and pot structures on any buildings within the authority. The list should include: the address where the issue was found, what sort of building (ie school, office etc) it, and when the issue was found</li><li>2. A list of instances, in the past 15 years, when Wigan Metropolitan Borough commissioned reports from structural engineers into structural issues with hollow block and beam/beam and pot structures on any buildings within the authority. The list should include: the address where the issue was found, what sort of building (ie school, office etc), and when the issue was found</li><li>3. Copies of those reports.</li><li>4. How much money your council spent rectifying these problems.</li></ol> <p>I would like to receive the information in Excel format please.</p>	<p>Our records show that although visual inspections have been undertaken to properties with block and beam / block and pot structures, there have been no issues arising from these inspections that have required the council to undertake structural surveys, therefore we do not have any information to share with you at this time.</p>
