

REQUEST 16659

1. Please confirm whether any of the office buildings owned by Wigan Metropolitan Borough Council were known to contain asbestos during the period 1975/76 to 1979. If so, please identify the:
 - a. Building name;
 - b. Location of asbestos; and
 - c. Nature of the asbestos (i.e. insulating board, pipe lagging etc).

2. Please confirm whether the Life Centre, Library St, Wigan WN1 1YN was known to contain asbestos between the period 1975/76 to 1979 and if so, please provide the location of asbestos and nature of the asbestos.

RESPONSE

No historical records available for the period 1975/76 to 1979.

Life Centre (North and South) were constructed in 2010. No asbestos-containing materials (ACMs) were used during the construction.
