I would like to understand the Agreed weekly fees paid for an Adult with Dementia in a Nursing Home by the authority in the following years: 2021/22 2022/23 2023/24

I understand that this will be for a home in the local authority area, if a placement occurred outside of the area - specifically Douglas Bank Nursing Home- Lees Lane Appley Bridge, would you be able to share that information?

Wigan does not have a specific fee for dementia. All fees are agreed based on the assessment conducted and then aligned with the rates above.

Wigan Council match fund when placing out of borough. We match the agreed fee of the host authority. This information would need to be requested from the specific authority, e.g., for Douglas Bank, Lancashire County Council.
