

REQUEST	16237	RESPONSE
<p>My request pertains to the signage and speed traps located on Spencer Road, Wigan, WN1 2QP.</p> <p>I would be grateful to know the following information:</p> <ol style="list-style-type: none"> 1) When was the new speed camera located on the east bound road (headed towards Wigan Lane) installed? 2) Was there previously a speed camera located on the other side of the road? 3) What speed camera awareness signs are located on Spencer Road and in which direction of the road do they point? 4) What speed limit signs are there on Spencer Road and where are these located? 5) Could you provide the date of the installation of such signs mentioned in question 3 and 4. 6) Are there any future plans by the council to add any further road signage to Spencer Road? 		<ol style="list-style-type: none"> 1) The new speed camera replacement was installed in August 2023. 2) No. The old speed camera was located on the same side of the road as the new replacement speed camera. 3) The Council has installed a blue-backed 30mph speed camera warning sign in advance of the Spencer Road east bound speed camera, located on lighting column No.46. 4) The speed limit on Spencer Road is the default 30mph for built-up (street-lit) areas. Therefore, the only 30mph signs that are required are those on the exits from the 20mph side roads. 5) We do not hold this information. 6) There are currently no plans to add any additional road signs on Spencer Road.
