

Please could the following information be provided regarding the "Mr Fill Ultra Fill" bins, which have recently been introduced in Wigan and Leigh town centres.

- 1) The total quantity that has been ordered by the Council. 10
- 2) Of those ordered, how many have been installed on site so far. 6
- 3) The location(s) of bins that have been installed - if possible, street name and ward. 3 – Wigan Town Centre  
3 – Leigh Town Centre
- 4) Does the Council plan to install any of these bins in Douglas Ward? The bins have been funded through external funding and are currently only being installed in our two main Town Centres (Wigan & Leigh) due to these areas having the highest footfall. There is no current plan or budget to install these bins in other wards.
- 5) The total cost of orders. X6 – Ex Stock = £27,000  
X4 – New = £23,380  
  
Total = £50,380
- 6) The cost per unit. First 6 units £4,500 each as these are refurbished bins  
Further 4 units £5,845 each
