

REQUEST	16539	RESPONSE
	<p>Can you tell me when the link road between the M58 and A49 will actually be constructed please? There hasn't been any confirmation given for a long time and your website states it was to be completed by 2021.</p>	<p>The M58 link road is still in the development phase and moving towards a finalised design. At that point a timescale for construction will be communicated and the website updated.</p> <p>The website shows that planning approval was granted in 2021.</p> <p>M58 link road (wigan.gov.uk)</p>
