

REQUEST 17205

1. I'd like a list of children's care homes linked with WMBC please?
2. I'd like a list of Wigan councillors names that frequent those children's care homes please?
3. I'd like to know if vehicles other than the wigan councillors personal vehicles are provided for wigan councillors use please?
4. I'd like to know if Wigan councillors keep a diary of everywhere they frequent? (As they are paid for out of public funds their work/visits etc should be logged and verified)
