REQUEST	17228	RESPONSE
I am writing to submit a Freedom of Information request for data on the location of all street lights maintained by the council. Specifically, I would like to obtain:		
1. The most recent available data on street lighting locations. Please provide the total number of streetlights maintained by the council and the actual location of these lights (the latter in Shapefile, KML, and/or GeoJSON format).		1. Please see the link to our live asset data for street lighting. You will be able to download the data in your preferred format from this. Streetlighting | Wigan Council Open Data
2. Data on street lighting locations from 2014. Please provide the total number of streetlights maintained by the council and the actual location of these lights (the latter in Shapefile, KML, and/or GeoJSON format).		2. We do not hold this data as we work on live data.
3. Data on street lighting locations from 2010. Please provide the total number of streetlights maintained by the council and the actual location of these lights (the latter in Shapefile, KML, and/or GeoJSON format).		3. We do not hold this data as we work on live data.
