

Request

Please can you provide me with the spend by your organisation on external consultants and training firms in the previous 12 months or the most recent 12-month period for which the data is available.

Please break down the spend by type of consultancy service or training service provided.

Response

See attached - response provided for the 2023/24 financial year.

The response is split between general consultancy services, and staff training and by department to give an indication of the nature of the consultancy or training.
