

## REQUEST 17410

Mort Lane, Tyldesley, Manchester M29.

Please provide the following information regarding the council's duty to grit Mort Lane. Notwithstanding a weather forecast predicting icy conditions overnight from Wednesday 1st to Thursday 2nd January 2025, consequently making the roads hazardous to all users, please outline:

1. Did WMBC deploy gritters to reduce the risk of collisions or trips to mitigate the above.
2. If the answer is yes, please provide the job reference number and time the road was gritted.
3. How many times was Mort Lane gritted between Thursday 26th December 2024, through to Thursday 2nd January 2025.
4. What times were any deployments carried out.
