

REQUEST 17480

I am writing to request information under the FOI Act 2000 regarding the land associated with the Land Registry Title Number GM458593. Specifically, I would like to request the following:

1. **Land Use and Classification History:**
 - Records indicating any changes to the classification of this land (e.g., from brownfield to greenfield or vice versa) within the past 50 years or the period for which records are available.
 - The dates and reasons for any such changes, including details of relevant council decisions, planning documents, or local plans that influenced this reclassification.

2. **Planning History:**
 - Copies of any planning applications or decisions associated with this land.
 - Any documents detailing its designation in historical Local Plans, Unitary Development Plans (UDPs), or other land use policies.

3. **Associated Documentation:**
 - Any studies, reports, or council meeting minutes related to the decision-making process for changing the land's classification, if applicable.

RESPONSE

Documents relating to land classification are available to view on our website at the following links:

Brownfield Land Register is accessible here: [Brownfield land register](#)

Meeting Minutes and Agendas can be accessed using the search function at [Search decision-making documentation](#)

Planning Policies documents can be viewed at [Planning policies and guidance](#)

Planning applications and the associated documents can be viewed by using the advanced search at [Simple Search](#)

As above
