## Request

South Hindley Masterplan - previously South Hindley Urban Village (planning application reference: A/18/85784/OUTMAJ).

The land at South Hindley was allocated as part of Wigan's adopted Local Development Plan, within the Wigan's Local Plan Core Strategy (2013) and as such, earmarked Safeguarded Land.

I request a Freedom of Information regarding a breakdown of land within the site, including what year any part of the land was sold to Peel Holdings (or other developers) and by whom land was sold, by this I ask who owned the land previously?

## Response

The council do not hold land ownership information in respect of private property. Information on landownership is available at HM Land Registry

[HM Land Registry - GOV.UK](https://www.gov.uk/hm-land-registry)
