I would like to request details of the major IT systems used by your organisation for a number of service areas.

Specifically, I request the following information:

1. The name of the primary IT system/software used for each service area.
2. The name of the supplier/vendor providing the system.
3. The contract start date and end date.
4. The total contract value (or annual cost if available).
5. The number of users/licenses for each system (if applicable).

Please see attached spreadsheet as requested
