	<p>How much is Wigan Council paying the Innovation Unit to coach them in growing a community led family hub?</p> <p>What is the contract value?</p> <p>And was there any discussions around local capacity, skills and experience to undertake this piece of work</p>	<p>The Innovation Unit was commissioned in November 2023 by GMCA to work with four LAs. This is referred to as the GM Early Family Help Trail Blazer. Wigan contributed £10k as a one-off payment to the commission.</p> <p>The contract is held by GMCA and covers four LAs. We do not hold the information in the full contract value.</p> <p>As this was a GM project designed to collect the learning from 4 LS and share across 10 GMCA commissioned an organisation that could work across GM.</p>
