

1. Does your local authority use a specific cut-off DASH (Domestic Abuse, Stalking, and Honour-Based Violence) risk assessment score for: Yes

a. Independent Domestic Violence Advocate (IDVA) referrals? 14

b. Multi-Agency Risk Assessment Conference (MARAC) referrals? 14

Referrals can also be made based on professional judgement

2. If a cut-off score is used, has this score changed at any point over the past 10 years? Please provide the cut-off scores for each year, broken down as follows: This has not changed since initialisation for referrals to IDVA or MARAC

a. IDVA Referral Score: b. MARAC Referral Score:
