

REQUEST 17871

What is the name of the Local Authority?

1. What is the name of the role that manages the Street Works function in the Highway Authority?
 - a. What is the salary range in pounds for the role from Q1?
 - b. Where does the role from Q1 sit within the HA and what other roles (positions) do they manage? An organogram would be ideal if held.
 - c. What approximate percentage of other works (tasks not directly part of operating the scheme) does the role from Q1 undertake?
2. What roles are directly paid for from the money generated by operating the permit schemes (only) and its reasonable administrative costs?
 - a. What was the approximate (to the nearest £50k) cost to run the permit scheme only for 2024/25 financial year?
 - b. What was the approximate (to the nearest £50k) revenue from running the permit scheme only for 2024/25 financial year?
3. What approximate percentage of other works (tasks not directly part of operating the scheme) do the roles from Q2 undertake?
 - a. What additional roles, if any, sit in the Street Works function?
 - b. What is the cost to operate the additional roles, if any, from Q3a for 2024/25 financial year?
 - c. What additional revenue is generated from the additional roles, if any, from Q3a for 2024/25 financial year?
4. Has the HA paid undertakers back for any revenue generated in excess of its cost to run?
5. Is the Street Works management function independent (separate) from the HA's Undertaker function? NB, if the role in Q1 also manages works that apply for permits as an undertaker, the answer is no.

RESPONSE

Wigan Council

1. Streetworks Co-ordinator

- a. £35,235 to £39,513
- b. Role sits within Traffic Management and Parking Services team of the Highways and Network Management Service
