

1. Information on all frameworks organised by the council for the provision of care and/or support for adults with complex needs; whether joint or separate for mental health, learning disability, acquired brain injury and physical disability. To include:-

- a. the description of the framework;
- b. the start date;
- c. the end date;
- d. the name of the team responsible for commissioning it;
- e. and the lead commissioning contact name and role for each framework

(A) Wigan Council and Wigan Borough Clinical Commissioning Group is committed to meeting the needs and aspirations of people to live valued lives in their own homes and communities avoiding inappropriate admissions to hospital and residential care. A fundamental part of this is the provision of the best possible quality of care and support delivered by skilled, caring and compassionate workers.

The development of the Deal 2030 Care and Support Ethical Framework is intended to establish a strong partnership of the very best care and support providers, all of whom share our values, attitudes and behaviours and an absolute commitment to helping people to live happy and fulfilled lives.

(B) April 2020

(C) 31st March 2024

(D) Services on The Deal 2030 Care and Support Ethical Framework can be provided to both Children and Adults. The framework comprised of 17 Lots in total with the responsibility for a Lot or Lots lying with various teams. Many of the Lots related to Adult Social Care services with others relating to Childrens services and services commissioned by Wigan Borough Clinical Commissioning Group.

(E)
