Council**

I would like to request the following information regarding the miniature railway at Haigh Woodland Park:

1. A copy of all plans or proposals relating to the layout or route of the miniature railway, including any proposals to alter or shorten the existing track.
2. Details of any safety assessments or correspondence involving the Office of Rail and Road (ORR) relating to the level crossing between the railway and the access road.
3. Any planning applications or consents submitted, approved, or under consideration relating to changes to the railway route or infrastructure.
4. Any correspondence or minutes involving discussions of how the railway may impact access to the Hall for events such as weddings, including vehicle access via Mowpin Lodge.
5. Details of any planned or completed public consultation or stakeholder engagement regarding changes to the railway.

There is no proposal available to share at this present time as this is still being finalised. There is an existing planning application from 1984 and the track work follows this.

There is no documentation or correspondence available to share relating to the level crossings and access road

No planning applications or consents have been submitted, approved or are under consideration relating to changes of the railway route or infrastructure.

There is no correspondence or minutes relating to this subject.

A presentation on the proposed use of the railway about the use of the railway was shown to the specialist interest group stakeholder event on the 25<sup>th</sup> April 2025.

At present there is no further stakeholder engagement planned.
