Request

Please may I have the most up-to-date copy of your street-light inventory including coordinates/maps of the light locations. A link to any open source data or an excel spreadsheet would be appreciated.

Please may you also provide details about the:

- a. frequency of the updates to the inventory
- b. any methodologies used.

Response

Please see attached Excel document

- a. Inventory can be updated daily/ weekly, dependent on the frequency of column/lantern replacements, or new streets that have been adopted.
- b. Updates are carried out in a timely manner to keep the inventory valid.
