

Request

Can you please provide me with the total quantity of how many new housing units have received planning permission within the WN7 and WA3 post code catchments since 2000 this includes housing units which are planned to be built and have outline planning as well as those which have been built since 2000

Response

Unfortunately, we only have figures from April 2011. From this date, please see tables below for breakdown of units in the WN7 and WA3 postcode areas:

- Granted outline permission, reserved matters approval or full planning permission
- Completed

Approvals since April 2011				
Post Code Area	Outline	RM	Full	Total
WA3	1488	1072	890	3450
WN7	3020	1848	3315	8183

Completions since April	
Post Code Area	Total
WA3	1811
WN7	2630
