

For each of the past three financial years (April to March) 2022/23, 2023/24, and 2024/25, please could you provide me with:

- | | |
|---|---|
| 1. The number of complaints about books in the collections of the council's libraries | None |
| 2. The number of requests for removal for books in the collections of the council's libraries | None |
| 3. The titles of books the above complaints or requests for removal relate to | N/A |
| 4. The number of reports of damage to books held in council library collections | Our reporting tool will only bring back titles removed from the system and this could be for a variety of reasons such as end of life or general wear and tear. Therefore unable to provide an accurate response. |
| 5. The titles of books damaged | As above |
| 6. The number of complaints about books in local authority school library collections | None that are administered by the council's central School library service |
| 7. The number of requests for removal for books in local authority school library collections | None that are administered by the council's central School library service |
| 8. The titles of books the above complaints or requests for removal relate to | None that are administered by the council's central School library service |
