

**REQUEST 18057**

1. How many Right to buy applications have you received in the last two years?
2. How long does it take to complete a request.
3. How many small council lands sale enquiries have you received in the last two years?
4. How long does it take to complete a request?

**RESPONSE**

1. 1478
2. The majority of applications prior to 31 October 2024 were dealt with in the RTB statutory time frame to s125 / Price Notice stage. The time up to completion of the purchase depends on the applicant's willingness and ability to proceed and how quickly their solicitor progresses the purchase. There have been delays in the processing of applications to s125 / Price Notice stage since the discount changes announced in the Autumn Budget, which caused an increase in applications, as tenants submitted their applications prior to the discount change on 21 November 2024.
3. We don't have a record of the number of land sale enquiries received in the last 2 years.
4. It depends on the complexity of each request and the resources available.
