

Request

Please provide data on the average fee that Wigan council paid to external home care providers per hour of care for each quarter from 2014 Q2 to 2019 Q1? Please only include home care providers who provide care for those 18 and over. Please include all fees paid to for-profit or not-for-profit providers, but do not include any services provided in-house by the council.

If you are not able to provide data at a quarterly frequency, please provide data for each financial year from 2014-15 to 2018-19 in the following format:

Response

Financial year	Average fee to external home care providers per hour of care (£)
