

REQUEST 18089

I am writing to request information under the Freedom of Information Act 2000 regarding the Wigan Council Planning Committee meeting held on 14 January 2020, where application A/18/85947/MAJES (Symmetry Park, Junction 25 M6) was considered.

Specifically, I would like to know:

1. Whether a recorded (named) vote was taken during the determination of the above application.
2. If so, how each committee member present voted (for, against, abstained).
3. Whether any members were absent or did not vote, and for what reason (e.g. declarations of interest or predetermination).
4. Any associated documentation that details or supports this information, such as attendance/voting records or a decision notice.

RESPONSE

1. A named vote wasn't taken.
2. N/A
3. Councillor Bill Clarke had given apologies for the meeting. There was a vacancy on the Committee at the time. Councillor Paul Kenny did not take part in the debate or vote as he declared that he had fettered his discretion in relation to this item. He had previously made his views known and therefore left the committee seating area for the consideration of the application.
4. The minutes from this meeting can be found here: [Minutes 14 January 2020](#)
