

**Wigan[♥]
Council**

Request

I would like to request information regarding the proposed Bridgewater Development Local Plan and who was involved in the discussion with the Lancashire Mining Museum. Certain beneficial elements have been agreed with the museum, should the above plan come to fruition.

Particularly relevant is which of the museum officers were a party to this and which council officers/cabinet members were involved.

Response

Beyond notifying the Lancashire Mining Museum of the current consultation on the Initial Draft Wigan Borough Local Plan, officers at Wigan Council have not been involved in discussions with the Lancashire Mining Museum in relation to the proposed Local Plan site allocation at Bridgewater West, Astley.
