**Council**

**REQUEST 18131**

Please forward the detailed scheme of work and the managing contractors that are leading to the closure of Rectory Lane from 19th July up to 10th August as specified on Wigan MBC website

**RESPONSE**

Rectory Lane will be closed by Road Contract Services to allow for a sewer connection to be made for the Wainhomes development site, the sewer connection is in the centre of the carriageway, resulting in the need for a closure.

At the same time, work will be carried out by Transport for Greater Manchester to install ducting, boxes and a pedestrian crossing point.

Resurfacing works to the newly installed footpaths will also be completed during the closure.
