

REQUEST 18142

This is a freedom of information request for the following data:

1. A breakdown of the uptake of Independent Mental Health Advocacy by main ethnic groups for following time periods.

2021-2022, 2022-2023 and 2023-2024.

2. I would also like to receive data on the total number of people who received Independent Mental Health Advocacy for the following time periods:

2021-2022, 2022-2023 and 2023-2024.

RESPONSE

The process of referrals for IMHA provision lies with Greater Manchester Mental Health Trust, who refer directly from acute inpatient wards to Family Welfare who are the providers of this service. We have been provided the following information by this provider:

It is not currently possible to provide a breakdown of ethnic groups uptake as this information is not captured.

2021 – 193 people
2022 – 191 people
2023 – 157 people
2024 – 136 people
