**Council**

### **Request**

1. Does the Council exercise discretion in cases where homeowners developing their own homes for personal use (such as extensions, annex, self-build) have submitted a CIL form late (e.g. an exemption form or commencement notice), and not charged the full CIL?
2. If so, please provide: Any internal policy, guidance, or precedent the council refers to in such cases.
3. Only if possible and easy to ascertain: the number of instances over the past five years where the council has waived or reduced the CIL charge due to late form submission in these cases.

### **Response**

Wigan Council is not a Community Infrastructure Levy (CIL) charging Authority.
