Council

REQUEST 18168

Whilst I understand that Wigan Council does not own Hindley Business Centre, Platt Lane, Hindley, I understand from Time Token Ltd that they purchased the site from Wigan Council in November 2016.

1. Are you able to please confirm what documentation you have from when you took over ownership of the whole site?
2. What alterations were carried out to the site when the Council owned it?
3. Did any of these alterations require asbestos surveys?

RESPONSE

The Council held a lease of unit 33 from WMDC on a 3-year lease from 2011 for use by Adult Services (Transport) but this lease was subsequently terminated as the service was relocated to the Makerfield Depot.

We have no further information.
