

I am writing to request information under the FOI 2000 regarding your authority's use of traffic data services - both traditional and digital - across the past three financial years (2021/22, 2022/23, and 2023/24).

This request forms part of a wider industry research exercise to understand how local authorities are currently sourcing and applying traffic data. Please provide the following:

A list of any external suppliers used for:

- | | |
|--|---|
| 1. Traffic counts Speed surveys Origin/Destination (O/D) studies. | Transport for Greater Manchester |
| 2. Total expenditure on these services, broken down by year and category if available. | We do not hold this information |
| 3. An indication of whether these services are conducted in-house, either wholly or in part. <i>If so, any information about the scale or frequency of this internal work would be appreciated.</i> | Services are undertaken externally by Transport for Greater Manchester |
| 4. Details of any use of digital traffic data services (e.g., mobile device data, GPS, connected vehicle data), including - Type of data used Suppliers involved Associated expenditure over the three-year period | We do not hold this information. Please contact Transport for Greater Manchester –
