

I am writing to you under the Freedom of Information Act 2000 to request the following information relating to electric on-street charging. In particular, are you able to provide me with:

1. How many public charging outlets or chargepoints for electric or plug- in hybrid vehicles have you installed to date in your local authority? Please provide figures to the nearest possible date and include the month and the year the figures correspond to.  
  
Zero. For information, TfGM installed Be.EV charge points on Council-owned public car parks in Wigan Borough. Locations can be viewed on the Be.EV website:  
  
<https://be-ev.co.uk/locations/>
2. For Question 1, how many of the public charging outlets or chargepoints are those classed as On-Street Residential Charge points, located on-street in residential streets or areas?  
  
N/A
3. How many public charging outlets or chargepoints for electric or plug- in hybrid vehicles do you plan to install in the current fiscal year or the current calendar year? Please provide figures to whichever timeframe corresponds with your reporting.  
  
Zero (current calendar year).
4. For Question 3, how many of the planned public charging outlets or chargepoints are classed as On-Street Residential Chargepoints, to be installed in on-street residential areas?  
  
N/A
5. Do you have a published strategy for On-Street Residential charging infrastructure?  
  
Greater Manchester's EV Charging Infrastructure Strategy has been adopted.
6. Do you have a dedicated Policy Officer (or equivalent) responsible for your electric vehicle charging infrastructure?  
  
No.
7. Have you applied for the Local Electric Vehicle Infrastructure (LEVI) Fund yet? If yes, have you been successful?  
  
LEVI funding has been awarded to Greater Manchester Combined Authority (GMCA).
