

Request

1. How many ex-offenders have been housed using the funding allocated to your local authority? Please give figures for each phase separately if applicable.
2. Please give information on how much funding was spent in the following areas. **(a)** Rent and deposits; **(b)** Incentives for landlords to join the scheme; **(c)** Dedicated support staff such as landlord liaison and tenancy support/sustainment officers. Please give figures for each phase separately if applicable.
3. If funding was used as incentives for landlords, how many ex-offenders did those landlords' house? This can be given as one total amount. Please give figures for each phase separately if applicable.
4. If the total amount allocated to your local authority as part of the AFEO scheme has not been used, please give details of how much remains unspent. One total figure is acceptable.
5. If the total amount allocated to your local authority has not been used, please give details of what is to be done with the remainder of the funding.

Response

We only received AFEO funding for the first phase in 2021-22. The information relates to this period.

30 individuals were supported with a financial contribution. More individuals were supported by support workers without financial contribution but we do not have these records.
