I would like to make an application under the Freedom of Information Act. I would like to establish:

- 1) How many staff have been granted "wellbeing days" off for the last financial year? If this is only available for a calendar year, please release that data but state that is for the calendar year. If your data is wonderfully up to date, please let me have data up to the latest monthly period. If another term, rather than "wellbeing days" is used to provide staff with a day off after a stressful period, please say the term used. We do not have Wellbeing days.
- 2) Please state the reasons cited for these "wellbeing days" and how many days were granted for specific types of wellness needs. For instance - some councils have granted them for staff to exercise, take up a mindfulness project, spend time in nature or engage in hobbies. Please include any such examples. N/A
- 3) If you have a website or intranet page about wellbeing days, please could you share it with me? N/A
- 4) If staff are allowed other elements associated with wellbeing, please specify if not stated in the above public internet links. N/A
