

**Wigan[♥]
Council**

Request

We are making a request to be provided a list of tree preservation orders that are currently on the council register.

If geolocal attributes can be included this would be beneficial (Easting, Northings / Grid ref / BNG).

Response

This information is accessible via the Council's website at the following link:

[Tree Preservation Orders](#)

Further information on tree preservation orders, and trees and woodlands within the borough in general, can be found on the Council's website at the following link:

[Trees and woodlands](#)
