Council**

REQUEST 18339

I am submitting a Freedom of Information request for any Section 104 Agreement documents or related records for the Bridgewater View residential development at Mosley Common (planning reference A/13/77906).

This includes, but is not limited to, agreements concerning the adoption of drainage infrastructure, sewer systems, and any associated correspondence or approvals between Wigan Council and relevant water authorities or developers.

Please provide copies of any such documents or direct me to where they may be accessed.

RESPONSE

I can confirm that the Council having reviewed all documentation do not hold this information. This information will be held by the developer Redrow Homes and United Utilities.
