

REQUEST 18341

On the back of the January FOI (17413) for the race of Council house tenants please can I have an updated version.

Also, can I have clarification that “not known” means they haven’t filled out the ethnicity form.

RESPONSE

Please see below tables.

Not known is due to not holding the information about the tenant. This is most likely due to the tenant not providing their ethnicity when they applied for housing or became a tenant.
