

I am writing to request the following information under the Freedom of Information Act 2000 in relation to potholes and associated vehicle damage within your local authority area. Please provide figures for the most recent full calendar year (or financial year, if easier):

- | | |
|--|---|
| 1. The number of potholes reported (monthly breakdown if possible). | See attached Excel document |
| 2. The average number of calendar days between a pothole being reported and repaired. | 8.85 days |
| 3. The percentage of reported potholes repaired within: <ul style="list-style-type: none">o 7 dayso 14 dayso 28 days | Information provided is based on 1st April 2024 – 31st March 2025

7 days – we don't hold this data
14 days – 91%
28 days – 95% |
| 4. The number of vehicle damage claims submitted as a result of potholes. | Information provided is based on 1st April 2024 – 31st March 2025

81 damage claims received |
| 5. The number of pothole-related claims accepted and the total amount of compensation paid. | Information provided is based on 1st April 2024 – 31st March 2025

22 claims accepted
£4387.90 total paid |
| 6. If recorded, the types of vehicles (make/model or vehicle category) involved in these damage claims. | Not recorded |
