

**Wigan<sup>♥</sup>  
Council**

I would like to request the following information:

1. The number of hotels currently being used within the Wigan Leigh and surrounding area covered by the Wigan council authority to accommodate asylum seekers or individuals awaiting immigration decisions.

There are no hotels currently being used in the borough.
2. The total amount paid or reimbursed to local hotels by the council (or centrally by the Home Office if known) for the provision of such accommodation in the last 12 months

Not applicable as there have been no hotels in the last 12 months.
3. Any council-held policies or guidance documents regarding the use of hotels or temporary accommodation for asylum seekers. I am not requesting the names or addresses of the hotels, only the numerical and policy information.

There are no policies or guidance held in relation to this.
