

Request

1. May I know if Tyldesley Cemetery has no more Caretaker?
2. And that the Caretaker place of living was sold to become a private property?
3. If so, does that mean the land/cemetery becomes the occupants back garden and therefore free to take anything from the land?
4. Is it also true that the cemetery will no longer be locked after 8-9 pm?

Response

There is no site-based caretaker at Tyldesley Cemetery.

The cemetery lodge was sold and is now a private residence.

The Tyldesley cemetery lodge was sold in 2000 and is a private property, which is separate from the Cemetery. Details of this property, such as its boundaries, are available from HM Land Registry, title ref. GM852931 (a small fee may be involved). The Council is not able to provide that information.

The cemetery is currently unlocked to support access for members of the public to visit.
