Section 12 of the Freedom of Information Act 2000 (FoIA) relieves a public authority from the obligation to comply with a request for information where the estimated time required to locate, review and extract the information exceeds a certain threshold set out in Regulations. The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 (SI 2004/3244) set out the rules in relation to the cost limit (otherwise called the "appropriate limit"). These Regulations are published by the Office of Public Sector Information (OPSI) and are viewable on their web site from this link:</p>	Year	Number of properties	2020/21	21,575	2021/22	21,447	2022/23	21,372	2023/24	21,334	2024/25	21,256

The Regulations set out the cost limit for Government departments and for other public authorities. For local government, Regulation 3 states that the cost limit is £450 and Regulation 4(4) states that the prescribed hourly rate is £25. Regulation 4(4) further provides that where the local authority estimates the time taken to gather the information would exceed this limit (which based on the prescribed hourly rate, equates to 18 officer hours), it may refuse the request under section 12 of FoIA. I am satisfied the cost limit applies to your request and will explain why this is the case.

For Q9, 10, 11, 12 – we are unable to provide this data within the timeframes of this request. The current active homelessness caseload for the borough is over 1000 cases. This request would take at least 10 minutes per case, which would be over 166 hours.

Q13/14/15 - We do not hold the information that you have requested in an easily retrievable format. Housing would only be funded by the LA where a statutory homeless duty is owed. To calculate costs this would require manual matching of data sets and a manual audit of hundreds of invoices. It is estimated that the time taken would be in the region 90 to 95 hours to complete. Costs in terms of temporary accommodation, also covers maintenance costs of accommodation and other associated costs with providing accommodation and as such we are unable to breakdown this information and the above would apply.

Q16 Wigan Council funding is not spent on providing items / benefits to Asylum Seekers – any expenditure is covered by Central Government Grants.

Reimbursement from Central Government

17. The total amount reimbursed to the council by central government for housing and supporting asylum seekers and refugees in the district.
