

Wigan[♥]
Council

I am requesting some information under the Freedom of Information Act, pertaining to homeless households in out-of-borough temporary accommodation.

I have included an example table for how to provide the data, though another format is acceptable if needed. If you cannot provide all the data, please provide the parts you can, and clearly mark the parts you cannot provide. If you have advice on how I could refine my request, that would be appreciated.

Please provide this data as the number of placement, at two separate points in time: 31 March 2025, and 30 June 2025.

1. The number of homeless households placed by your council in out-of-borough temporary accommodation, and of these the number of households with children - broken down by borough/district placed in [See table](#)
2. The number of households that your council received Section 208 notices for from other councils, and of these the number of households with children - broken down by borough/district received from. [See table](#)
