

Under the Freedom of Information Act 2000, I would like to request the following information relating to wayfinding signage in your local area. Please provide the following:

1. The annual spending on wayfinding signage (including maintenance, replacement, and installation) for each of the last three financial years.
2. The number of wayfinding signs replaced in the city (town) centre in each of the last three financial years.
3. The average repair time for damaged wayfinding signs (measured from report to completion of repair) over the same period.

Information not held
