## **Household Support Fund**

**1 April 2024 to 30 September 2024**

### **Families in receipt of means tested free school meals**

The Council is offering support to all families currently in receipt of means tested free school meals.

Wigan will make payment for scheduled school holidays to fund from this scheme with help towards food.

Families in receipt of means tested free school meals will be contacted directly with an award payment. There is no application required for this support.

Other households with children can still access support through the wider offer.

### **Pensioner households**

Wigan will provide targeted support to pensioner households in receipt of Council Tax Reduction with a payment to support with the rising costs in energy, no application process will be required.

Other pension households not in receipt of Council Tax Reduction can still access support through the wider offer.

### **Care leavers**

We will provide support to care leavers who have housing cost bills, a payment to support with the rising costs in energy will be made, no application process will be required.

Care Leavers can still access ongoing support through the wider offer.

### **Households with disabled family members**

Households in receipt of Council Tax Disabled Band Reduction will receive a single award, with no required application process.

Other households not receiving a Council Tax Disabled Band Reduction can access support through the wider offer.

### **Wider offer of support**

As well as providing targeted support Wigan's scheme will also offer support to other vulnerable households. This will include:

- families not in receipt of means tested free school meals
- pensioner households
- households without children
- individuals
- care leavers
- households with a cancer diagnosis
- unpaid carers

The above list is not exhaustive.

Types of support available:

- Energy vouchers for households with pre-paid meters and support towards bills for households without pre-paid meters
- food vouchers
- low energy cooking appliances

## **Eligibility**

Requests for support will be directed through our current local welfare support offer and criteria to establish households and individuals' circumstances, considering those who are struggling to afford food and energy costs.

Households may be receiving other forms of support, and this will be considered to avoid duplicating provision where possible.

However, families receiving other forms of assistance are not excluded from receiving support through this grant. For example, a household may have additional wider needs in terms of food.

To apply for support applicants will need to be:

- resident of Wigan Borough
- aged sixteen years or more
- struggling to afford food and energy costs

Applicants with no recourse to public funds can apply regardless of their immigration status if there is a genuine care need that does not arise solely from destitution. For example, if:

- there are community care needs
- they have serious health problems
- there is a risk to a child's wellbeing
