## **REQUEST 18598**

Under the Environmental Information Regulations 2004, I request the following information:

A digital list, database, or map showing the locations of all public litter bins and recycling bins maintained by or on behalf of the council (excluding household bins). Please provide the information in the electronic format you already hold (e.g., Excel, CSV, shapefile, GIS data, or depot spreadsheets).

If a full wide list is not reasonably available, please provide the information broken down by the level at which it is already held (e.g., by ward, district, or depot).

If precise geographic coordinates are not recorded, please provide any available location descriptors (such as street names, park names, or nearest landmarks).

## **RESPONSE**

Please see accompanying Excel file.
