

Request

I request the following information relating to the Planning Committee meeting held on 11 June 2024:

1. Whether a formal division (roll-call) was held for the committee decision on application A/23/96226/MAJOR (Land at Astley Park Way).
2. If a division/roll-call was held, a copy of the recorded vote listing each member's vote (for / against / abstain) and the total numerical margin.
3. If no division was held, please confirm that the decision was made by a show of hands and state whether any numerical count was recorded and saved (and provide that record if it exists).

Response

In relation to the A/23/96226/MAJOR (Land at Astley Park Way) application that was considered by the Planning Committee at its meeting on 11 June 2024, although the electronic voting system in the Council Chamber was used to undertake the vote in relation to this item, no record of each member of the Committee's vote was taken/is held.

In any Committee meeting, a member of a Committee's vote would only be recorded, should that Committee member formally request that their vote be recorded, with their individual vote then being recorded within the formal minutes of the meeting.

Similarly, a member of a Committee can make the request that a recorded vote be taken for the entire Committee, and should this be supported by nine other members of that Committee (and approved once voted upon), a recorded vote will then be taken, with each member of the Committee's vote then being recorded within the formal minutes of the meeting.

As neither of the two requests outlined above were made in relation to this item, no record of each member of the Committee's vote was taken/is held for the item/application.

Information on voting can be found in 'Section 14 – Voting', in the Rules of Procedure section of the Council's Constitution.
