REQUEST 18685

I am a data analyst at UK Propoerty Risk. Could you please confirm/provide if your authority has the following:

1. A Part 2a register for contaminated land?
2. Any entries within the Part 2a register?
3. A copy of the Part 2a register and its entries?

"Local authorities **must maintain and make publicly available** their **Part 2A public register** under the Environmental Protection Act 1990"

RESPONSE

The Contaminated Land public register is available on our website:
