

Request

1. How many asylum seekers are currently living in dispersal accommodation run by your local authority?

2. How many asylum seekers are currently living in dispersal accommodation in your local authority that is run by private contractors?

If possible, please provide the following information broken down by calendar year for each of 2020, 2021, 2022, 2023, 2024 and 2025 year-to-date:

3. How many asylum seekers have died while living in dispersal accommodation in your local authority?

Ideally, I'd like a breakdown of whether these people were living in housing run by your local authority or by private providers, please. If that isn't possible, please provide a total figure

a. For each of those who died, please tell me their nationality and medical cause of death.

Response

Nil – the local authority does not 'run' dispersal accommodation within the borough. The dispersal accommodation is managed by the Home Office via SERCO.

1211

The local authority does not hold this data.

As per above
