Council

REQUEST 18722

Could I please have a list of youth centres and youth clubs which were open at any point between 2010 and 2019 in your council?

Please include the name of each youth centre or youth club, and the postcode.

Please include youth centres and youth clubs regardless of whether they were council ran or ran by a charity/other.

Please, for each youth centre or youth club state whether it opened or ceased operation (closed) in the period 2010 to 2019. Please include the dates of opening or closure.

RESPONSE

Between 2010 and 2016, open access youth sessions were delivered in five council-operated buildings. However, the names and any further details of these venues are no longer available.

From 2016 onwards, no council-operated youth centres or clubs were active, as this was fully commissioned through Wigan Youth Zone.
